PURPOSE OF THIS DISCLOSURE. Our general policy is to allow you to withdraw funds deposited in a transaction account on the first Business Day after the day of deposit. Funds from electronic direct deposits will be available on the day we receive the deposit. In some cases, we may delay your ability to withdraw funds beyond the first Business Day after the day of deposit. Our complete policy is summarized below. For purposes of this disclosure, the terms "you"/"your" refer to the customer and the terms "our"/"we"/"us" refer to KS StateBank.

Generally, transaction accounts are accounts which would permit an unlimited number of payments by check to third persons, and also an unlimited number of telephonic and preauthorized transfers to third persons or other accounts you may have with us.

DETERMINING THE AVAILABILITY OF YOUR DEPOSIT. The length of the delay varies depending on the type of deposit and is explained below. When we delay your ability to withdraw funds from a deposit, you may not withdraw the funds in cash, and we will not pay checks you have written on your account by using these funds. Even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

When we delay your ability to withdraw funds, the length of the delay is counted in Business Days from the day of your deposit. The term "Business Day" means any day other than a Saturday, Sunday or federally declared legal holiday, and the term "Banking Day" means that part of any Business Day on which we are open to the public for carrying on substantially all of our banking functions.

In order to establish that a deposit is made on a particular Business Day, we establish a cut-off time. You must make your deposit before the cut-off time in order for it to be considered to have been made on that Business Day.

Table with 2 columns: LOCATION, CUT-OFF TIME. Rows include All KS StateBank Branches (6:00 PM Central Standard Time) and All KS StateBank ATM Locations (2:30 PM Central Standard Time).

However, if you make a deposit after the cut-off time shown above or on a day that we are not open, we will consider the deposit made on the next Business Day we are open.
